

FIRE TECHNICAL SERVICES

Fire Protection, Engineering Solutions & Facility Maintenance

OFFICIAL CIRCULAR

TO:	All Department Heads, Engineers, Technicians & Administrative Staff	DATE:	28 September 2026
FROM:	Human Resources & Personnel Management	REF NO:	FTS-MEMO-2026-003
SUBJECT:	WORKPLACE POLICY: Q4 PERFORMANCE EVALUATION & REVISED SITE SHIFT ROSTER		

1. Overview & Annual Appraisal Cycle

Fire Technical Services is launching its annual comprehensive performance review process. All staff members are required to coordinate with their direct line supervisors to complete their self-assessments and objective goal reviews for the upcoming operational year.

2. Key Operational Guidelines

- Self-Appraisal Deadline:** All employees must submit their completed appraisal forms through the HR portal module no later than the 15th of next month.
- Biometric Attendance Tracking:** Morning and evening clock-in/out stamps are strictly synchronized with payroll processing. Unjustified manual overwrites will not be permitted.
- Emergency Service Rotations:** Facilities maintenance technicians assigned to 24/7 on-call rosters must remain within designated response zones during their scheduled coverage.
- Annual Leave Blackout Periods:** Leave requests during major site commissioning dates must be submitted at least 30 days in advance.

LEGAL NOTICE & MANDATORY DIGITAL ACKNOWLEDGMENT:

HR MANDATE & COMPLIANCE: Every employee is required to read this circular carefully and confirm their acknowledgment on the portal. Questions regarding appraisals may be addressed to hr@fts.ae.
